VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value, per page 42 of the filing instructions.

Part VII, Each put or call transaction is an independent contract creating the right, but not the obligation, to make future sales or purchases of specific assets. They are not fixed assets, therefore either purchases or sales of individual options can be used to either open or close a contract; they do not generate income. Purchases and sales of any optioned holdings are reported separately from these contracts.
