VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

VIII. INVESTMENTS.

I closed the account at Community Trust Bank (item 20) on 6/2/2014 when I withdrew the balance with a Value Code of K.

The Tarrant Co. TX Hsg. Fin. Corp. Rev. Single Fam. Mtg. bonds (item 23) were purchased by me in November 1983 for a Value Code of J. There were two partial redemptions of the bonds, one in 1991 and the other in 1992, each with a Value Code of J. The bonds defaulted in 1999. After that I received small interest payments and small returns of principal payments from time to time. I do not have readily available a record of the return of principal payments. I have concluded that the bonds have become totally worthless, and should be written off as a complete loss. The loss amount would be something less than \$5,000.

Dividends and gains on the non-IRA mutual funds (items 26-34) are reinvested as declared except the T. Rowe Price-High Yield Fund and Nuveen Fund.

The traditional IRA account shown as item 48 is carried in my wife's name. An RMD was withdrawn from that account in late 2014 with a Value Code of J.

The royalty income in relation to the Sherman County, Texas, mineral interest (item 52) was received from BP American Production Co. and Pantera Energy Co.; the royalty income in relation to the Tarrant County, Texas, mineral interest (item 53) was received from XTO Energy; the royalty income in relation to the Wise County, Texas, mineral interest (item 54) was received from Devon Energy Production Co. The Wise County mineral interest (item 54) is a part of a fee I earned as an attorney before I became a judge. It paid off the first time with a small royalty payment in October 2014.

All items of property listed in Section VII are the community property of [REDACTED] and me.
