VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Cheyenne Regional Medical Center is the local hospital organization. The provision of nursing and care services to patients in their homes is one of the services provided through Cheyenne Regional Medical Center. As part of the concern for the quality of patient care members of the public as well as medical professionals have been placed on an advisory board, which meets periodically.

Young Mens' Literary Club is a small organization (less than 50 including honorary and emeriti) that meets weekly during the fall, winter and spring to discuss current events and review assigned papers. The organization has existed for the past 110 years. The Secretary/Treasurer receives nominal dues for rent of the meeting room and keeps meeting minutes that are deposited and preserved in the State Archives.

Trust #1 is a trust that was established [REDACTED]. It contains financial investments listed on schedule VII that I believe are the sole financial interests of the trust. No portion of the trust is derived from my assets, income or activities or those of my spouse. During 2010 I became successor trustee of the trust and have therefore listed on Schedule VII. I am not an income or principal beneficiary of the trust, however [REDACTED] are beneficiaries. During the reporting period I did not derive or expect to derive a benefit from the trust.

Trust #2 and Trust #3 were created to implement premarital and estate planning. It is anticipated that additional assets will be placed in the trusts in the future. Trust #2 holds and controls items listed on schedule VII, bank accounts at American National Bank now ANB Bank and Wells Fargo National Bank, Part VII. Trust #3 holds and controls items listed on schedule VII.

Trust #4 is another trust established [REDACTED]. I am not a trustee or beneficiary of this trust, the assets listed are listed due to the filing of a [REDACTED] income tax return in 2011.

Wyoming Deferred Compensation Plan is a program for State Employees to deposit earnings for deferred tax investment. I received reports entitled Wyoming Retirement System 457 Deferred Compensation Plan c/o Great West Retirement. There are various options that an employee may use for investment. In 2010, detailed assets (three mutual funds) were listed in total, however in this report they have been separately listed. Net investment gain is also listed. See following paragraph regarding 2010 changes that will be forthcoming. In 2010 it became incumbent upon undersigned to take distributions from this plan and pay tax on the income. If all goes as directed, a sum will be withdrawn each year and will be taxed.

[REDACTED] reported assets [REDACTED] consists of the checking account at American National Bank now ANB Bank.

There were also two small reportable assets that were previously not reported, additional shares in Xcel Energy and an AXA Equitable Life Insurance Policy. The AXA Equitable Life Insurance Company whole life policy has a small cash value, barely over the reportable limit. This policy was originally established approximately thirty years ago when the law firm I was with converted a group term policy into whole life.

As a result of acquiring outside professional assistance it was noted that in prior years I had inadvertently not reported certain detailed information, as required. I am in the process of correcting my 2010 report so that ending assets listed in 2010 will be correctly reported.
