VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part I, lines 1: This holding company contains no reportable assets.

Part I, line 2: See Part VII, line 1.

Part I, line 3: Passive 10% farming interest; no control over assets or operations.

Part I, line 4: Passive 20% farming interest; no control over assets or operations.

Part I, line 5: Passive 33.3% timber interest; no control over assets or operations.

Part VII, line 80: The ticker symbol for U.S. Steel is "(X)."

Part VII, lines 157-172: Each put or call transaction is an independent contract creating the right, but not the obligation, to make future sales or purchases of specific assets. They are not fixed assets, therefore either purchases or sales of individual options can be used to either open or close a contract; they do not generate income. Purchases and sales of any optioned holdings are reported separately from these contracts.

Part VII: The farming, timber, and real estate holdings referenced in this report hold only operational assets.

Part VII, Column D(5): During 2017, various assets were transferred between accounts without reportable transactions and/or had name changes. For ease of review, such items include references in Column D(5) to the corresponding line(s) of the 2016 report.

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value, per page 42 of the filing instructions.
