VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

In 1990, all previously owned IRA accounts were transferred to Shuffro Rose & Ehrman, Investment Advisors, and placed into an IRA account wherein the firm has the discretion to buy or sell investments. I am not consulted before they act, but can instruct them to change the purchase after I learn of the transaction. In addition, in 1990, I opened a non-IRA account with Shuffro Rose & Ehrman, similar to that stated above. These accounts have been transferred to Morgan Stanley Smith Barney as of early 2010. They have authority to buy and sell without my prior authorization. The report as to shares bought and sold was provided to me by my broker. The only purchase of stock by me is for shares in Nuance as reported. My spouse died in 2007. The account in my name at Lincoln Life & Annuity Bank is the result of money received from an insurance policy after my spouse's demise.

VII. INVESTMENTS

The value of my interest in No. 2 Associates is difficult to determine since the value of the equity after expense can only be determined when the real property is sold.
