VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part I and Part VII:

All assets of the trusts identified in Part I are listed individually in Part VII

Part VIII, Lines 134-220:

The assets listed reflect a one third share as a beneficiary in the estate [REDACTED]. This share vested on the [REDACTED] in mid-2012 and all transactions after that date - even those executed in the sole discretion of the trustee responsible for the administration of the estate - are reported despite the fact that the actual distributions of assets from the estate to beneficiaries did not begin until later in 2012. Only income which was received directly by the beneficiary is reported; income received directly by the estate before asset distribution is not reported here.
