VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

The format of my 2013 Report has changed to make it easier to understand, to eliminate 2012 entries that no longer meet the required minimal reporting amounts, and to reflect the fact of my marriage by separate property assets marked with (S). In addition, the assets marked (LLC) belong to a Limited Liability Company in which I have an interest of only 2%; my prior reports significantly overstated the value of my personal assets because the earlier reports could have been interpreted to indicate that I owned 100% instead of 2% of these assets.

Line 1, Section VII of my 2012 Report reported the sale of Delta Petroleum stock on August 31, 2012. It should have been reported as a partial sale for a total of \$41.95; the much larger part of the Delta Petroleum stock became worthless during 2012 as a result of the Delta Petroleum bankruptcy.

Mineral interests in Cook Co and in Jefferson Co, Texas shown on Line 59, Section VII, 2012 Report produced no income and had nominal, if any, value and thus are not required to be reported. The income and values shown on Line 59, Section VII, 2012 Report all related to the Love Co., OK mineral interest.

During 2013 there were multiple trades of Franklin Large Cap Equity (Line 31, Section VII) beginning with additional purchase on 02/07/13. There were additional purchases on 03/18/13 of Value K and on 12/18/13 of Value J. There were partial sales on 04/11/13 of Value J, and on 09/27/13 of Value J.

During 2013 there were multiple trades of Franklin Small Cap (Line 33, Section VII) beginning with additional purchase on 02/07/13. There were additional purchases on 03/18/13 of Value J and on 12/16/13 of Value J. There was a partial sale on 04/11/13 of Value J.
