VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of Report.)*

Cheyenne Frontier Days is a non-profit corporation that organizes and sponsors a week-long western celebration and rodeo for the benefit of the community. Through the Old West Museum it also seeks to collect and preserve historical material from this region as well as a collection of historical carriages and period clothing. The Board of Directors reviews the operation and management of the organization to insure that the mission and objectives are followed.

United Medical Center is the local hospital organization. The provision of nursing and care services to patients in their homes is one of the services provided through United Medical Center. As part of the concern for the quality of patient care members of the public as well as medical professionals have been placed on an advisory board, which meets periodically.

The Federal Judges Association is an organization composed of Federal Judges. Its objectives are to seek to improve the salary, benefits, and working conditions of the Federal judiciary through educational programs, support of legislative initiatives and working closely with the Administrative Offices of United States Courts. The organization is supported by the voluntary payment of dues by its members. I am currently the representative from my circuit on the board and report to the judges in my circuit.

I have deleted Living Trust #1 from VII Investments and Trusts because it is a financial vehicle that was during the reporting period solely under the control of [REDACTED]. It contained financial interests that are the sole financial interests and responsibility of [REDACTED]. No portion of the trust is derived from my assets, income or activities or those of [REDACTED]. I have no knowledge of the financial transactions other than having been told that it was created and what the approximate value is. During the reporting period I did not derive or expect to derive a benefit from the trust.

The American College of Trial Lawyers is a national organization of lawyers, who are dedicated to support and improve courts in the United States and to maintain high standards of professional conduct within the practice of law. Among the many activities under the auspices of the organization is an annual meeting which was held in July, 2005 at Grand Teton National Park, Jackson, Wyoming. I was invited to attend and speak at the conference on environmental issues confronting the federal court in Wyoming and the region. A framed wildlife photograph was presented to each of the speakers. I did not attend any function of The American College of Trial Lawyers in 2006.

In Part VII I have unintentionally omitted reference in past years to a paid policy of whole life insurance on my life with New York Life Insurance Company. New York Life Insurance and the Cash Value has been listed to correct this error.
