VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

I. POSITIONS

Trustee Inter Vivos life insurance trust dated 11-22-89.

VII. INVESTMENTS and TRUSTS

Conflicts: I do not handle any disputes involving any company in which stock is owned (individually and as Trustee). Also, I do not handle any disputes involving closely held businesses or anything related thereto. Those matters are assigned to the other bankruptcy judges in the Western District of North Carolina. I no longer have a conflict on matters involving Bank of America, since my [REDACTED] retirement from it. The Committee on Codes of Conduct has determined that that is not a conflict for my hearing disputes involving BB&T on account of a [REDACTED] involvement on a "local board" of the bank.

Note: Income is received from several closely held [REDACTED] corporations including East Mecklenburg Corp. ("S" corporation), The Mason Wallace Co., LLC, J.M. Wallace Land Co., LLC, and Triangle Properties Associates, LLC, and real property owned in common. This is in the nature of investment income and is reported in PART VII. The corporations buy, sell and own real estate, but the stockholders do not control any of those decisions or assets individually.

I own two cows that produce calves that I sell. The cows have a value of 1,000. During 2013 I sold two calves to George Lenze of Brevard, NC, for a total of \$822.

Line 148, Part VII: This item was inadvertently omitted from the prior report.
