VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Although not required, I am reporting the following: I own a 1.1% limited partnership interest in Mt. Blue Ltd. Partners which owns a 2.73% interest in another entity, the Shopping Center Partnership. I did not reported this interest until 2010r because, during my entire tenure, it has never had a value of \$1,000 or more.

In other words, there has not been a secondary market for my interest at any time during my service as a District Judge. However, it carries the potential for a tax liability (the amount of which and timing I cannot predict). Although I am not obligated to report this interest as an asset, I am continuing to report it in an abundance of caution because under the current economic conditions, I am concerned that some tax liability could arise in connection with the interest. It should be noted, however, that I have no information from the general partner and no information regarding the partnership from any other source that suggests any current tax liability exposure; I am relying simply on my knowledge of current economic conditions, my understanding of the tax liabilities that can be associated with limited partnership interests generally and my knowledge of the history of these entities.

In preparing this report, I discovered errors in Part VII of my calendar year 2013 report as follows:

On January 4, 2010, my Allianz Franklin Valuemark IV deferred variable annuity contract, originally purchased in 2003, was renamed to MetLife Vintage 3 due to a business acquisition by MetLife. I am reporting this as a disposition of the Franklin Valuemark IV annuity and acquisition of the MetLife Vintage 3 annuity as of 1/1/2013 even though this was only a name change of the product and sponsoring insurance company.
