VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Dreyfus Treasury Prime Inv Money Market Account

IRA account summarized on line 17

Trust #1 on line 19

Trust #2 on line 90

Trust #3 on line 124

Trust #4 on line 161

Trust #5 on line 172

Trust #6 on line 183

Lines 17, 19, 90, 124, 161, 172, 183 Dreyfus Treasury Prime Inv Money Market Account was used as a vehicle to hold cash equivalent assets for purchase of other investments and to place sale proceeds pending other investments. Consequently, money moved in and out of these accounts with great frequency and no attempt was made to distinguish each transaction unless specifically requested.

Lines 6-9 fractional shares of Kinder Morgan Mgmt: Instead of paying cash dividends, Kinder Morgan issued fractional shares of stock. The fractional shares have no monetary value and no market until they accumulate to equal a full share.

All trust assets are accounted for herein. According to your instructions, the aggregate income and values were reported on lines 18, 89, 123, 160, 171, 182. Identification of the trusts was omitted for security purposes, but will be provided if requested. Naturally, the records of each individual trust are available for the committee's inspection upon request.
