## VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

PART I: I was a General Partner in the limited partnership known as Davis Florida Associates, LP. The partnership was comprised of family members only, and was created for tax and liability purposes to manage its only asset, a mortgage receivable held on property located in the state of Florida. The partnership provided for quarterly interest payments to the family's general and limited partners. The receivable was paid off in December 2011, at which time the limited partnership was dissolved. I administered the receivables by collecting and accounting for the monthly mortgage payment, administering and accounting for the quarterly distributions to family members, and assured that the partnership's tax return was filed annually. The tax return was prepared annually by an accountant from Rochester, New York who has prepared the return since the partnership was created.

In addition, I serve as a Co-trustee on two trusts [REDACTED]. They were established as part of [REDACTED] estate [REDACTED]. We review the status of the trusts annually to assure it meets [REDACTED] financial needs. Upon her death, the balance, if any, will go to the [REDACTED] equally, including myself. [REDACTED] have waived our right to receive our lawful commission from these trusts.

PART VII: Line numbers 77 and 78 indicate the aggregate totals for each of the trusts. All of the information listed below, in lines 79 through 200, are the holdings for the two trusts. Several of the holdings are duplicative and therefore were combined to indicate one description.

The item at line 197 is the maintenance account for the [REDACTED] Property at line 77.

The Sector Rotation Account at line 196 is an account that buys stocks in Sector Rotation style for Trust #1. All stocks within the Trust have been disclosed in Part VII.
