VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

In 2015, most of the assets owned by my wife and me were managed by Windhaven Investments ("Windhaven"). Windhaven provided the information in this Report concerning the assets it managed. That information is, to the best of my knowledge, correct.

My wife and I invest in what Windhaven calls "Funds," through which identical investments are made simultaneously for many investors. They are not mutual funds. Rather, various index shares are bought and sold for individual accounts at various times. Therefore, there are many transactions described in this Report which would not be required to be reported if we were invested in mutual funds which engaged in similar transactions.

I have not listed in Part VII the asset in my Relative's Personal Residence Trust in part because I have no beneficial interest in it and do not now control the purchase, sale, or other disposition of the asset.
