VIII. ADDITIONAL INFORMATION OR EXPLANATIONS. *(Indicate part of report.)*

Part VII, Retirement Account #1 and Retirement Account #2: For ease of reporting, these accounts have been separated in 2017; they were reported collectively in 2016 as Account #1. This reporting change did not include any reportable transactions.

Part VII: Changes in header descriptions do not denote changes in holdings and do not denote reportable transactions.

In the event of name or symbol changes in the 2017 reporting cycle, references to the corresponding lines of the 2016 report are provided in Column D(5) for ease of review.

Part VII, Column B: Lines reflecting no income are so reported because none was attributed to those particular holdings during the reporting period, whether taxable, tax exempt, or tax deferred, or because the investments do not allocate income to individual holdings, but instead are credited only in unit value, per page 42 of the filing instructions.

FINANCIAL DISCLOSURE REPORT
